Senor Maytorena will leave here to-

been their ruler for so many years.

Vera Cruz, Mexico, May 31.—Gen. Perfirio Dias said his farewell to Mex-ico today, With his wife and other members of the Diaz family, he boardthe steamer Vpiranga, bound for an. The steamer sailed last night will make the trip via Havana.

Delivers a Parting Warning. To his country General Diaz deliv-id a warning. Speaking to the lit-group of soldiers, who had served a guard on his trip from the capi-to the port the old man who has verned Mexico for more than thirty ears by military strength, said that the present government must yet re-

ont of the home of J. B. Body, where the ex-president has been quartered since his arrival in Vera Cruz. There was one detachment of the Eleventh infantry, and a detachment of Zapadores, one of the crack regiments of the country. Both were under com-mand of General Victoriano Huerta, an old and warm personal friend of Gen-

Defended Him from Rebel Attack. If was not such a display as would e arranged for inspection. Some of he men wore sandals, some shoes and one would have gained praise for eatness. They were all men who had one fighting. They were the same non who defended the life of the expresident and his family when rebeis attacked the special train coming to Vera Cruz. Four of their number were killed in that affair near the little village of Tepcyahualco.

Men Wished to Say Good-Bye. General Diaz learned this morning hat his men wished to say good-bye, here was some formality, but this sature was lest sight of later in view f the intimacy of farewell. The men topped facing the veranda of the arm-like wooden house, which is sitated down in the terminal yards, suck of them stood a row of freight ars. Nelsy engines puffed about and other tied up at the wharves served as ships tied up at the wharves served as a reminder of why the ex-president was here. On the veranda a small detachment of the presidential guards

riends of his in this city and one two from the capital came out of Diaz, Jr., was not present, Like Diaz, Jr., was not present. Like women members of the party, in-ing Senora Diaz, he chose to remain in his room. Rarely has he ap-peared in public of late and never dur-ing this forencon, when his father was

Hour Too Sciemn for Applause. When General Diaz stepped forward a the veranda there was a buzz of sterest, but no applanse. The moterest, but no applause. The mo-ent was too solemn for an expres-on of that character and even the tle group of peons massed behind soldiers repressed their feelings til the speechmaking and embracing

General Ding, his face showing no taly touch of color about his attire

General Huerta's Address. In the name of the army General nerts addressed him. Standing not ore than two paces in front of his old tief, the soldier teld him that he wild always count on them, "notwith-anding what everyone said." General nerts, voice broke as no added, with perhaps more frankness than fact; "It is the only portion of the country that ald not go against you."

One Cause for Gratification. He declared that he and his men and the army in general were sorry to see General Diaz leave Mexico, but that there was also reason for grati-fication. Insumuch as foreigners would be given an opportunity to know the tran who had made his country fa-

Diaz stood like a soldier on parade, with eyes front and never a twich of the muscles. Bravely he began his reply, but before many minutes he was

is Grateful to the Army. 'I am grateful to the army," said the ex-president, "that I could count on it to the last moment of leaving Mexican territory. It is the only real defense the country has, and to re-establish peace in this republic, its ner less will have to be called upon in this crisis."

Tears Course Down His Face By now the lears were slowly roll-ing down the old man's fare and his voice was broken. But, like a father talking to his children, he continued

assuring them that he gave his word of honor that should his country at any time become involved in trouble he would be willing to return.

Pointing to the colors of Mexico, the general added: "I would then place to self at the head of the country's level forces and under the shadow of that flag I would know how to conquer as in times past."

Diaz Embraces Officers.

eneral Huerta, himself almost as as the deposed president, grasped hand and then the two old fighten-braced. One by one the minor ers moved forward from the ranks. Each was embraced by General Diaz and told good-bye, it was over. The troops had stood at attention for an peared wear. General Diaz turned to enter the house and the officers gave the command to march. The troops went directly to the cars of a special

#### Cabled Paragraphs

Berlin, May 31.—Twenty-five persons in all perished in the floods which followed several cloudbursts yesterday in southern Germany. Great damage was done to crops.

Berlin, May 31.—The nomination of Prof. Edward Charles Pickering, di-rector of Harvard observatory, to be a knight in the Prussian Order of Merit, was gazetted today.

Managua, Nicaragua, May 31.—The fortress Laloma blew up at 4 o'clock this afternoon. The paince and other buildings near by were damaged. A considerable loss of life is reported.

Rome, Italy, May 31.—Pope Pius to-day received in private audience the Rt. Rev. John P. Carroll, bishop of Helena, Mont., and Monsignor Thomas F. Kennedy, director of the American

Potsdam, Germany, May 31.—Emperor William today inspected the model of the monument to General Baron Von Steuben in Washington which was presented to Germany by the United States congress. Lisbon, May 31.-An official note is-

Lisbon, May 31.—An official note issued today says that Sir Edward Grey, the British foreign secretary, yesterday communicated to the Portuguese representative in London that the British government was ready definitely to recognize the Portuguese republic as soon as the constitution wis

Four Mexican states were turned over today to the provisional governors named by Francisco I. Madero, Jr., according to reports received by Madero. They are Sonora, Sinsloa, Queratario and Durango, among the most interestant in the courter. town or city, and for which one set of books of account is kept. The reports were taken for the calendar year ending December 31, 1999, wherever the system of bookkeeping permitted figures for that period to be secured, but in case the fiscal year of an establishment differed from the calendar year a report of its opera-tions was obtained for the fiscal period rations of new governors came reports falling most largely within 1909.

increases in all the items at the census of 1909, as compared with that for 1904. These are exhibited, in percent-age order, as follows:

Daniel De Villiers, who is charged with conspiracy to kill Senor Madero, was released under \$2,000 bail in El cent.; cost of materials used, 34 per Chihuahua, Mexico, May 31.—Despite peace, a singular condition exists in this city. Federal officers assert they have received no official notice of a change in government, and therefore cannot surrender their authority.

Federal troops still patrol the streets and occupy the outposts. All persons entering the city are searched for arms. cent.; value of products 33 per cent.; value added by manufacture, 31 per cent.; salaries and wages, 29 per cent.; number of establishments 22 per cent.; average number of wage earners employed during the year, 16 per c and miscellaneous expenses, 14

tablishments in 1909 and 8,477 in 1904—an increase of 774, or 22 per cent. Miguel Ahumada, the federal gover-nor, who, according to Madere, was succeeded by Abraham Gonzales, still occupies the palace. -an increase of 774, or 22 per cent.

The capital invested, as reported in 1909, was \$515,547,060, a gain of \$144,-263,000, or 39 per cent., over \$373,284,-000 in 1904. The average capital per establishment was approximately \$122,-600 in 1909 and \$107,000 in 1904. In this connection it should be stated that in the census schedule the inquiry concerning capital invested calls for the total amount both owned and horthe total amount both owned and bor rowed and invested in the business but does not include the value of rented property, plant or equipment which was employed in the conduct of manu-

ance of the Rev. Norman Plass, the former president of the Redeemable Investment company, with church people, was responsible for the support which the Rev. J. S. Voorhees, formerly pastor of the Congregational church at Adams, Mass., gave the company, according to Voorhees' testimony in the United States court today at the trill of three of the officers of the concern, Rev. Mr. Plass, John I. Traphagen and Charles H. Brooks, on charges of using the mails in a scheme to defraud. Voorhees testified that the treasurer of his church at Adams introduced him to Plass Later Voorhees gave up his pastoral work and went on the road as the company's representative. He had to reviewly been reaster of the Adams.

pastoral work and went on the road as the company's representative. He had previously been pastor of the Adams church for six or seven years.

In his opening statement District Attorney French said that the government would show that the redemption fund was allowed to accumulate to about \$20,000 and that beginning March 31, 1910, the three defendants began to plunder it by manipulating the books and making false entries. Mr. French said that by the time that the complaint was made and the defendants arrested the funds had dwindled down to practically nothing.

on 1994.

The value of products represents the product as actually turned out by the factories during the census year and does not necessarily have any relation to the amount of sales for that year. The values under this head also include the amount received for work done on materials furnished by others.

Value Added by Manufacture.

Value added by Manufacture.

The value added by banufacture was \$233.012,000 in 1909 and \$177,780,000 in 1904, an increase of \$55,233,000, or 31 per cent. The value added by manu-Boston, May 31.—The training of college women as nurses with a view of diminishing domestic infelicity was suggested in an address today by Miss Sarah Louise Arnold dean of Simmons college, before the American Society of the Superintendents of Training Schools for Nurses, which held its 17th annual meeting in the Park street church. The speaker held that if more young women studied to become trained and more happy homes in the land. She advocated co-operation between colleges and nurses' training schools, that young women in the colleges and high schools might learn more of the duties of the nurse.

Miss Mary E. Wheeler, Chicago, was elected president, and Miss Jessie E. Ketton, Springfield, Mass., secretary.

233,013,600 in 1909 and \$177,780,000 in 1904 and in 1904, an increase of \$5,523,200, or 31 per cent. The value added by manufacture formed 48 per cent, of the total value of products in 1909 and in 1904, an increase of specific formed 48 per cent, of the total value of products in 1909 and the value of products after the manufacturing products after the manufacturing

The salaries and wages amounted to \$135,756,000 in 1909 and \$104,983,000 in 1904, an increase of \$30,773,000, or 20 Tacoma, Wash., May 31.—Twenty-six indictments were returned by a federal grand jury today for federal census frauds. Certain enumerators in Tacoma padded the returns. No

# **Wheat Corner** Is Abandoned

PROMOTERS UNLOAD AT A VERY MODERATE ADVANCE.

IN FEAR OF PROSECUTION

Activity of Government Against Illega Combinations Having Its Effect May Wheat Sold at \$1.04 3-4.

Chicago, May 31.—There was a picturesque finish today of the alleged corner in May wheat but the scene was not of the sort that was expected. Instead of hundreds of excited brokers shricking at each other in the trading pit on 'change, the close was of such a different kind that some of the traders sat down comfortably on the steps and whiled away time laushing and and whiled away time laughing and Rise of Only 1 3-4 Cents.

Instead of shorts being squeezed without mercy, the final price for May delivery was \$1.04 3-4, a rise of only 1 3-4 cents, compared with the figures at the close of the previous day's trad-

Enough Unloaded to Supply Demand What kept the market from soaring was the fact that representatives of the interests behind the so-called corner let go of enough wheat to supply all demands at a very moderate ad-

Cornerers Were Scared Off. Recent activity by the government prosecuting illegal combinations of likinds, and the action of the board trades' directors in appointing a committee to investigate all irregularicommittee to investigate all irregularities in the trade here, were credited with being the principal reason why the men supposed to be controlling the market were willing to relent and show that even in the wheat pit there is such a thing as the "rule of reason" and mercy. This at least was the prevailing view.

A few dealers, however, declared that the conditions which kept the price down were natural ones and that the holders of the wheat were simply giving way to a shrewd desire to unload.

Beaumont Weeps With Emotion. Scores of people placed their hands on the automobile and pushed it along, while Beaumont wept with emotion. He said that he brought his first aerial greetings from the French metropolis to the Eternal city, and he delivered to Mayor Nathan a message from the president of the Paris municipality. BOY MURDERED AND

ROBBED BY COMPANIONS Beaumont was then raised on the shoulders of the crowd and obliged to make a speech. He said he was happy to be the first aerial messenger Appalling Case of Juvenile Depravity Discovered in New York. New York, May 31.—The body of ar nappy to be the first aerial messenger to Rome, because it would bind Italy and France more closely together and he was the more satisfied by this because he himself was a French officer. He ended by hoping that the friendship between France and Italy would be eternal. Beaumont is a naval officer and his real name is Conneau.

New York, May 31.—Ine body of an 11 year old boy, who was murdered, his playmates say, by a companion of 13 years, was found tonight with a bullet hole in the breast, in the dusty coal bin of a Cherry street tenement, where it had lain 24 hours. A rough burlap bag, still damp with blood, shrouded it, and a worn strip of oil cloth screened bag and contents from view. dead boy was identified as John

The dead boy was identified as John Maile, who lived across the street from the tenement. Youngsters in the neighborhood told detectives that the lad was slain by a companion who took from him \$15 and bought a new suit of ciothes. Three children of tender years are said to have witnessed the tragedy which, the police say, occurred yesterday afternoon on the second vesterday afternoon on the second whom the police are most desirous of questioning has not been home since yesterday afternoon. Another child, who says he saw the shooting, is held

who says he saw the shooting, is held as a material witness.

Carmine Plombino, the boy who was afterwards detained, led the dead boy's mother to the coal bin after she had angrily demanded of him the victim's whereabouts. A policeman and the janiter of the building tore away a newly nailed obstruction to the entrance of the bin and brought to light the box with its burden tied tightly

the bag with its burden tied tightly within, mother was away," sebbes Carmine naming Andrew Leone as the slayer "He wanted John's money."

"He wanted John's money."

At midnight detectives found keene and lodged him in jail, charged with the crime. He declared that Plombino and not he did the shooting. The four boys so held told the police a story which has not been equalled, they say, since the days of Jesse Poneroy, the boy murderer of Messachusetts.

The boys told of dashing water on the face of the dead lad to revive him. When he lay still they said, they knelt When he lay still, they said, they knelt down and prayed beside the body.

After persistent questioning by the police Carmine Piemonbino admitted, they say, that he himself shot and killed the Maile boy. He claimed the shooting was accidental.

JEALOUS LYNN MAN SETS FIRE TO HOME OF RIVAL Accused of Attempt to Burn Up His

Saugus, Mass., May 31.—In announcing the arrest today of Allen Baston 20 years old, of Lynn, on a charge of anson, the Saugus police promulgated their theory of an alleged crime in which jealous hatred was an important factor. Baston is charged with setting fire to a dwelling house occupied by the family of Wilfred Parent. Mrs. Grace Parent, the police say, was formerly Baston's sweetheart, and alleged attempt to have the house said to have The value of products was \$490,272,000 in 1909 and \$382,082,000 in 1904, an
increase of \$121,180,000, or 32 per cent.

An autopsy was per-formed on the body of James Malone, an Orange farmer, who died soon after the collision, by Medical Examiner Scarbrough, but the result was not

made known.

Grannis' statement was to the effect that the brakes on his car did not work when he applied them on the sudden stopping of the car into which his car ran. The statement of the trolley company deals with the location of the tracks at the place of the

Washington, May 31.—The struggle over the wool schedule between Mr. Bryan, who protests against a revenue bill, and Representative Underwood, the majority leader in the house and commander of the revenue forces, will result in Mr. Bryan's being overwhelmed in the party caucus tomorrow, the obponents of free raw wool predicted tonight after a day of consultation.

"The Issue created by Mr. Bsyan has been met squarely," said Mr. Underwood, chairman of the ways and means committee, which frafted the woolen bill, "and I have thoroughly canvassed the situation today. Mr. Bryan's attempt to dictate to this house what it should do has made con-

ure tonight than there were last night. The issue presented has sent to us some democratic members who other-

BANK CLERKS FRUSTRATE PLANS OF SAFE BREAKERS. Were Sleeping in Bank When Burglars

Entered Institution. Danville, Que., May 31 - Two clerks

who were sleeping in the Eastern Township bank here frustrated early Township bank here frustrated early today an attempt by three masked men, believed to be expert American safe breakers, to rob the institution. The clerks were awakened by the breaking of a window and fired a volley at the would-be robbers. The masked men replied vigorously with their revolvers, but hone of the bullets took effect. When citizens who had been aroused by the shooting came running up the robbers fied. running up the robbers fled.

Mrs. Early's body has been recov-ered. Life savers are searching for the bodies of the Longstreets, Several Thousand Dollars' Damage. The storm did thousands of dollars worth of damage in Lersine county.

WILD STORM AT PITTSBURG. Little Girl Dies of Fright-Man Dying

of Fractured Skull. Pittsburg, May 31.—With the wind blowing 64 miles an hour and rain which fell in torrents, a storm swept over this section of the state late today, leaving death and demage in fittrack. Ethel Makrauer, aged 9, while approaching her home, was whirled into the door by the wind and dropped dead from fright. George A. Martin, president of the Pittsburg Tube company, is dying in a hospital with a fractured skull, caused by a falling sign. Dwellings Crushed In.

In Sewiskly the roof of the First Ma-tional bank was blown two himered feet and thechimneys fell through the roof of a neighboring building. Two dwellings were crushed like a box of cards by the wind. Signs torn loose by the wind caused the injury of numerons pedestrians, a score of wh were reported at various hospitals. Smokestacks Blown Over.

The Painter mills of the United States Steel corporation had four easty foot stacks blown over. They crashed through the roof of the mill, severing a steam supply pipe, and necessitat-Ladderman Blown from Seat.

The large skylights of the City hall were blown in and fell into the corridor four stories blow. All the windows and part of the glass roof in the turin send of the Pittsburg and Lake Erie station went before the wind. Patrick Whalen, pilot on a hook and ladder truck, was blown from hos seat among the ladders, fracturing a leg. Damage All Over State,

Reports of damage are coming in from all over the state, especially the oil fields, where hundreds of desricks

POLICE CONFUSED BY TWO SETS OF LETTERS

delving into New York's latest sensational murder, faced a despending mystery tonight upon reading letters in
the rooms of the woman whose decomposed body was found, lime-exten
in a bath tub, early yesterday. There
are two sets of these letters, one apparently from the father and the other
from the mother of the victim, and
each writer seems to have addressed
the missives to a different person at
different addresses.
The woman who signed herself mother dated her letters from the intent,
Ill. and forwarded them to Mrs. Hen-

Grannis' statement was to the effect that the brakes on his car did not work when he applied them on the sudden stopping of the car into which his car ran. The statement of the trolley company deals with the location of the tracks at the place of the cardien. There's is but little change in the condition of the injured who are in the was appeared upon in the morning and a section of splintered bone removed from the skull. His condition tonigh, was critical. Coroner Mix was busy tonight conducting his investigation, but would make no statement as to what his finding might be.

Mrs. Malone, widow of James Maloris, who was killed in the strolley collision on the Derby turnpike yesterday, was ill teday and it is feared she has been internally hurt. After the accident.

Mrs. Malone, widow of James Maloris, who was killed in the strolley collision on the Derby turnpike yesterday, was ill teday and it is feared she has been internally hurt. After the accident she went home and it was more of the tracks of the called to see her he found she was quite ill, both mentally and from body injuries. Her husband was an unde of Judge William Malone of Bristol.

DEFEAT FOR BRYAN

IN WOOL FIGHT

Predicted That He Will Be Overwhelmed in Caucus Today.

Springfield, Mass., May 21.—Inquiries by the local police developed the fact that the O'Grady siri was born in Chicopee and that she was 19 years old when she was married in 1907, which would make her age 23 now, instead of 25, as first reported. Her mother died about twelve years ago and her father and an aunt, both of whom live in this city, are the only known relatives. In all her letters home she wrote in a appy yein, and there was no indication of domestic trouble.

Providence, May 31.—The Seventh Ward Colored Citizens' cieb, at a warm meeting voted decisively not to include the word "Republican" in the title of the organization because, the opponents of the chauge threed, it is time that the negroes of the city assert their independence and do something in order that the race should have a share in the government of the comshare in the government of the com-
